

Dear Parents,

International School Mathematics Teachers Foundation

I am writing to invite Aman to take part in the International Schools Mathematics Teachers Foundation (ISMTF) Competition which takes place on **Saturday 27th March and Sunday 28th March at Dubai College.**

The ISMTF Competition is a prestigious Mathematics competition that takes place in a select European city on an annual basis. However, this year the competition will take place virtually. From our cohort of sixth form students at Dubai College, we have selected fifteen of our best mathematicians and puzzle solvers to take part in the competition.

At the competition, the first day is intense and involves ten individual rounds as well as a number of team rounds. The second day involves an awards ceremony. This year, it is hoped that we can outperform our teams from last year, who finished fourth overall in the competition.

In order to be fully prepared for the competition, students will need to train for the event at least once a week on Mondays after school and potentially on Thursday afternoons as well.

The approximate cost of the event will be AED 200. Entry to the competition and an evening meal are included in the price of the event but lunch on Saturday 27th March will not be provided so students are advised to bring a packed lunch.

If your child subsequently withdraws from the event after the payment has been made, and no replacement is found, then you will be responsible for any costs incurred up to that point.

In terms of equipment, students will only need to bring a calculator as well as a pen and pencil.

I would appreciate it if you could complete the permission slip below and return by email to Mrs Williams at jacki.williams@dubaicollege.org, before Thursday 14th January.

Yours faithfully

Joseph Almond

Further Maths and Extension Coordinator

ISMTF Competition 2021

Please complete and return this permission slip by email to Mrs Williams

My son/daughter..... Form
group..... will/will not, (please delete as applicable), be able to compete in the ISMTF
Competition.

Jacki Williams
Academic Secretary
